

Hello, dear Janet & all of the WONDERFUL Toymakers!

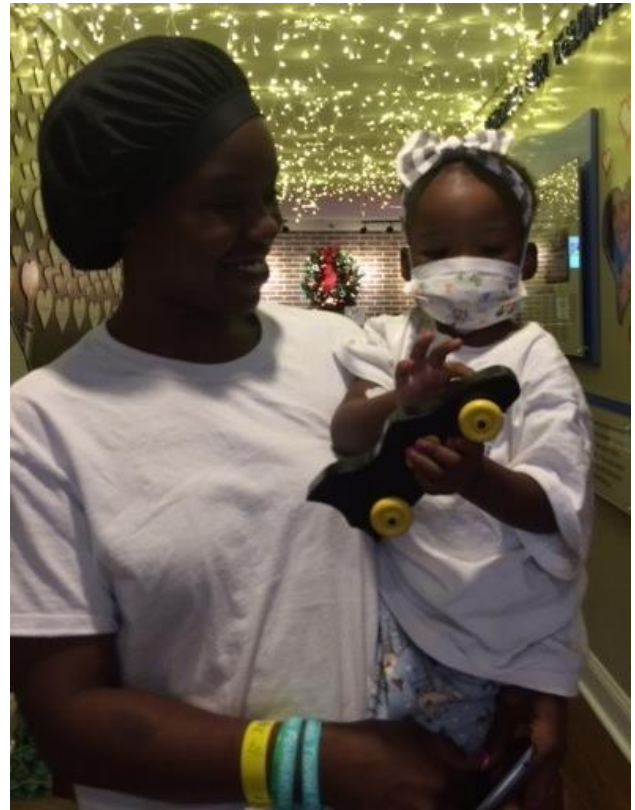

Just wanted to thank you AGAIN for the boxes of LOVE that we received.

It's our pleasure and honor to distribute them to families and share your precious hand-made treasures! I've attached a picture (sorry for the quality- or lack of it)...but I hope you get the feeling of joy and gratitude that is present. Two-year old, who is battling leukemia, REALLY enjoyed the Batman car she chose from all of the cars.

We are so grateful for our partnership!

Happiest of holidays to all of you!

Theresa
