

RONALD MCDONALD
HOUSE CHARITIES
NORTH CENTRAL FLORIDA

June 20, 2016

Dear Toymakers of Eastlake,

On behalf of the staff, and the families at Ronald McDonald House Charities of North Central Florida, we want to thank you for toys you donated. As you know, gifts like these are priceless to our families.

Because of supporters like you, we are able to provide not only a place

to stay for families with hospitalized children, but also support and solace. We could not do what we do without your support and generosity.

Thank you!

Sincerely,

Anita Silwal
